Halo is a flashy brindle that will continue to speckle out as he grows. As a CV Call of Duty calf, he's one you're going to want to watch. His Sire is a 3 times futurity winner and a 4 times HSC champion out of the \$100k CV Cowboy Casanova and \$25k FL Rio Maxine. His Dam is a Drag Iron daughter sporting 88" TTT horns and projects to be in the 90's. Halo is sweet as can be, and is packing on the size while impressing us in the conformation and horn
