Ruby has a pedigree dreams are made of and her potential is limitless. This gorgeous girl is out of over 100" Tuff Cowboy DC daughter who's breaking horn barriers herself as a 3 year old and was over 70" TTT by 3, and TKR Royal T, a TCC Houdini son who's proving himself in consistent horn growth, conformation, and color. Ruby continues to darken and shows a lot of promise with her all black horns and the direction they are going in.

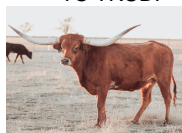

**TTT:** 14.2500 on 09/03/2023
